

You may not know me, but I'm in  
your church, schools, streets and  
neighborhoods.

I'm 2 out of 5 children being  
abused/neglected  
in your community.

There aren't enough foster homes,  
so the world is building large new  
group living centers and so  
I might never get a real family.

What's wrong with this picture?
